

Dermatology Policy for Treating Minors (under 18 years of age)

Dr. Amy Forman Taub and other providers at Advanced Dermatology, LLC treat patients of all ages. However, it is illegal to treat a minor without consent from their parent/guardian.

Therefore, minors must either be accompanied to their appointment by a parent/guardian, OR the minor must bring a written note of consent signed by the parent/guardian giving permission to treat the minor.

This note must indicate patient's name, date of birth, and social security number, the name of the physician, the date of the appointment, and the name and signature of the parent/guardian.

If the parent/guardian accompanies the minor to the appointment, he/she may sign below, giving permission for future visits to the physician.

Regardless, all patients are financially responsible for the charges associated with any appointment.
